This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide certain information to the Shareholders for their consideration of the Share Buy-back Mandate.

1. EXERCISE OF THE SHARE BUY-BACK MANDATE

As at the Latest Practicable Date, there were 1,994,975,244 Shares in issue. On the basis that no further Shares are issued or bought back after the Latest Practicable Date and prior to the date of the Annual General Meeting, exercise in full of the Share Buy-back Mandate would result in up to 199,497,524 Shares (representing 10% of the total number of Shares in issue as at the Latest Practicable Date), being bought back by the Company. The Share Buy-back Mandate will allow the Company to make or agree to make purchases only during the period ending on the earliest of the date of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required to be held by the Company's articles of association or any applicable laws of Hong Kong or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

2. REASONS FOR BUY-BACK

The Directors consider that the Share Buy-back Mandate will provide the Company the flexibility to make such buy-back as and when appropriate and is beneficial to the Company. Such buy-back may enhance the net asset value and/or earnings per Share, depending on market conditions and funding arrangements at the time, and will only be made when the Directors believe that such buy-back will benefit the Company and the Shareholders as a whole. The Directors have no present intention to buy back any Shares.

In the event that the Share Buy-back Mandate were to be exercised in full, there might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2024). However, the Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

3. FUNDING AND LEGALITY OF BUY-BACK

Any buy-back of Shares will be funded entirely from the Company's available cash flow or working capital facilities, and will, in any event, be made out of funds legally available for the buy-back in accordance with the Company's articles of association and the applicable laws of Hong Kong.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company in the event that the Share Buy-back Mandate is approved by the Shareholders.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company nor has he undertaken not to sell any of the Shares held by him to the Company in the event that the Company is authorized to make buy-back of the Shares.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make buy-back pursuant to the Share Buy-back Mandate in accordance with the Listing Rules, all applicable laws of Hong Kong and in accordance with the regulations set out in the Company's articles of association.

6. EFFECT OF THE TAKEOVERS CODE

If, on the exercise of the power to buy back Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of such increase, could obtain or consolidate control of the Company and may become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Oriental Solar Group Limited, the controlling Shareholder, was interested in 1,400,000,000 Shares, representing approximately 70.18% of the total number of Shares in issue. Oriental Solar Group Limited was beneficially owned by Mr. Pang Yuet. On the basis that no further Shares are issued or bought back after the Latest Practicable Date and prior to the Annual General Meeting and the shareholding of Mr. Pang Yuet remains unchanged, in the event that the Directors exercise in full of the Share Buy-back Mandate (if granted), then the attributable shareholding of Mr. Pang Yuet would be increased to approximately 77.97% of the total number of Shares in issue and such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Share Buy-back Mandate to such an extent as would trigger a mandatory offer.

7. PUBLIC FLOAT

Assuming during the period between the Latest Practicable Date and the date when the Share Buy-back Mandate is exercised in full, (i) no further Shares are issued; and (ii) there is no change in the shareholding interests in the Company of any core connected persons of the Company, an exercise of the Share Buy-back Mandate in whole or in part will result in the aggregate number of the issued Shares in the public hands falling below the prescribed minimum percentage of 25% as required by the Listing Rules. The Directors confirm that the Share Buy-back Mandate will not be exercised to the extent as may result in the number of the Shares held by the public being reduced to less than 25% of the total number of Shares in issue.

8. SHARE BUY-BACK MADE BY THE COMPANY

Neither the Company nor any of its subsidiaries has bought back any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the 12 months up to and including the Latest Practicable Date are as follows:

| | Share Prices | |
|---|---------------------|---------------|
| | Highest | Lowest |
| | <i>HK\$</i> | <i>HK\$</i> |
| 2024 | | |
| May | 0.250 | 0.235 |
