Number of existing Shares in issue as at the date of this announcement	: 636,402,481
Number of Rights Shares	: not less than 318,201,240 Rights Shares (assuming no further issue of new Shares on or before the Record Date) and not more than 381,841,488 Rights Shares (assuming full utilization of the Issue Mandate on or before the Record Date) (<i>Note</i>)

Accordingly, an additional 63,640,248 Rights Shares would be issued, in which case the maximum number of Rights Shares that may be issued by the Company pursuant to the Rights Issue will increase to 381,841,488.

There are 60,000,000 outstanding share options under the option deeds dated 6 October 2011 and subsequent to the adjustments of the capital reorganization becoming effective on 23 August 2012, to subscribe for an aggregate of 60,000,000 new Shares. However, none of the abovementioned options have been vested and none of them are exercisable.

Save as disclosed, as at the date of this announcement, the Company has no outstanding convertible securities, options or warrants in issue which confer any right to subscribe for, convert or exchange into Shares. Assuming no further issue of new Shares or repurchase of Shares on or before the Record Date, the 318,201,240 nil-paid Rights Shares proposed to be provisionally allotted represent 50% of the Company's issued share capital as at the date of this announcement and 33.3% of the Company's issued share capital as enlarged by the issue of the 318,201,240 Rights Shares.

Qualifying Shareholders

The Company will send the Prospectus Documents to Qualifying Shareholders only. To qualify for the Rights Issue, a Shareholder must:

1. be registered as a member of the Company at the close of business on the Record Date; and
2. be a Qualifying Shareholder.

In order to be registered as members of the Company at the close of business on the Record Date, owners of Shares must lodge any transfers of Shares (together with the relevant share certificates) with the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong for registration by no later than 4:30 p.m. on Monday, 12 November 2012.

Closure of register of members

The register of members of the Company will be closed from Tuesday, 13 November 2012 to Thursday, 15 November 2012, both days inclusive. No transfer of Shares will be registered during this period.

Rights of Overseas Shareholders

The Prospectus Documents are not intended to be registered under the applicable securities legislation of any jurisdiction other than Hong Kong.

In compliance with the necessary requirements of the Listing Rules, the Company will make enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholders (if any). If, based on legal opinions, the Directors consider that it is necessary or expedient not to offer the Rights Shares to the Overseas Shareholders on account either of the legal restrictions under the laws of the relevant place or the requirements of the relevant regulatory body or stock exchange in that place, the Rights Issue will not be available to such Overseas Shareholders. Further information in this connection will be set out in the Prospectus Documents containing, among other things, details of the Rights Issue, to be despatched to the Qualifying Shareholders as soon as practicable. The Company will send copies of the Prospectus to the Non-Qualifying Shareholders for their information only, but will not send any PAL and EAF to them.

Arrangements will be made for Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders to be sold in the market in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence, if a premium (net of expenses) can be obtained. The proceeds of such sale, less expenses, of more than HK\$100 will be paid pro rata to the Non-Qualifying Shareholders. The Company will retain individual amounts of HK\$100 or less for the benefit of the Company. Any unsold entitlement of Non-Qualifying Shareholders, together with any Rights Shares provisionally allotted but not accepted, will be made available for excess application on EAFs by Qualifying Shareholders.

Subscription Price

The Subscription Price for the Rights Shares is HK\$0.25 per Rights Share, payable in full upon acceptance of the relevant provisional allotment of Rights Shares and, where applicable, application for excess Rights Shares under the Rights Issue or when a transferee of nil-paid Rights Shares applies for the Rights Shares.

The Subscription Price represents:

- (a) a discount of approximately 40.48% to the closing price of HK\$0.42 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (b) a discount of approximately 40.33% to the average closing price of HK\$0.419 per Share as quoted on the Stock Exchange for the five consecutive trading days prior to the Last Trading Day; and
- (c) a discount of approximately 31.13% to the theoretical ex-right price of approximately HK\$0.363 per Share based on the closing price of HK\$0.42 per Share as quoted on the Stock Exchange on the Last Trading Day.

The Subscription Price was determined after arm's length negotiation between the Company and the Underwriter with reference to the prevailing market price of the Shares. The Directors (including the independent non-executive Directors) consider the terms of the Rights Issue, including the Subscription Price which has been set as a discount to the closing price of the Shares on the Last Trading Day with an objective to encourage existing Shareholders to take up their entitlements so as to participate in the potential growth of the Company, to be fair and reasonable and in the best interests of the Company and the Shareholders as a whole. The net price per Rights Share upon full acceptance of the relevant provisional allotment of Rights Shares (assuming no further issue of new Shares on or before the Record Date) will be approximately HK\$0.24.

Basis of provisional allotments

The basis of the provisional allotment shall be one (1) Rights Share for every two (2) Shares in issue and held on Record Date, being not less than 318,201,240 Rights Shares and not more than 381,841,488 Rights Shares at a price of HK\$0.25 per Rights Share. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the PAL and lodging the same with a remittance for the Rights Shares being applied for.

Status of the Rights Shares

The Rights Shares (when allotted, issued and fully paid) will rank *pari passu* with the then existing Shares in issue in all respects. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid after the date of allotment and issue of the Rights Shares.

Fractions of Rights Shares

The Company will not provisionally allot fractions of Rights Shares. The aggregate of fractions of the Rights Shares will be sold by the Company in the market, and, if a net premium can be obtained the proceeds will be retained by the Company for its own benefit. Any unsold aggregate of fractions of the Rights Shares will be made available for excess application by the Qualifying Shareholders.

Application for excess Rights Shares

Qualifying Shareholders may apply, by way of excess application, for any unsold entitlements of the Non-Qualifying Shareholders and for any Rights Shares provisionally allotted but not accepted. Applications for excess Rights Shares may be made by completing the EAFs for application for excess Rights Shares and lodging the same with a separate remittance for the excess Rights Shares being applied for. The Directors will allocate the excess Rights Shares at their discretion on a fair and equitable basis on the following principles:

1. preference will be given to applications for less than a board lot of Rights Shares where they appear to the Directors that such applications are made to round up odd-lot holdings to whole-lot holdings and that such applications are not made with the intention to abuse this mechanism; and
2. subject to availability of excess Rights Shares after allocation under principle (1) above, the excess Rights Shares will be allocated to Qualifying Shareholders based on a sliding scale with reference to the number of the excess Rights Shares applied by them (i.e. Qualifying Shareholders applying for a smaller number of Rights Shares are allocated with a higher percentage of successful application but will receive a lesser number of Rights Shares; whereas Qualifying Shareholders applying for a larger number of Rights Shares are allocated with a smaller percentage of successful application but will receive a higher number of Rights Shares), and with board lot applications to be made on a best effort basis.

Investors with their Shares held by a nominee company should note that the Board will regard the nominee company as a single Shareholder according to the register of members of the Company. Accordingly, the Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Rights Shares will not be extended to beneficial owners individually. Investors with their Shares held by a nominee company are advised to consider whether they would like to arrange for the registration of the relevant Shares in the name of the beneficial owner(s) prior to the Record Date.

Investors whose Shares are held by their nominee(s) and who would like to have their names registered on the register of members of the Company, must lodge all necessary documents with the Registrar for completion of the relevant registration by 4:30 p.m. on Monday, 12 November 2012.

Share certificates and refund cheques for Rights Issue

Subject to the fulfillment of the conditions of the Rights Issue, certificates for all fully-paid Rights Shares are expected to be posted to those entitled thereto by ordinary post at their own risk on or before Friday, 7 December 2012. Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be posted on or before Friday, 7 December 2012 by ordinary post to the applicants at their own risk.

Application for listings

The Company will apply to the Listing Committee of the Stock Exchange for the listing of and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms to be issued and allotted pursuant to the Rights Issue.

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

Both nil-paid Rights Shares and fully-paid Rights Shares will be traded in board lots of 8,000 Shares.

Dealings in the Rights Shares in both their nil-paid and fully-paid forms, which are registered in the register of members of the Company in Hong Kong will be subject to the payment of stamp duty, Stock Exchange trading fee, transaction levy, investor compensation levy or any other applicable fees and charges in Hong Kong.

Conditions of the Rights Issue

The Rights Issue is conditional upon the following being fulfilled:

1. the Listing Committee of the Stock Exchange granting or agreeing to grant and not having withdrawn or revoked the listing of and permission to deal in all the Rights Shares, in both nil-paid and fully-paid forms;
2. the delivery to the Stock Exchange and registration by the Registrar of Companies in Hong Kong of one copy of each of the Prospectus Documents duly signed by two Directors (or by their agents duly authorised in writing) as having been approved by a resolution of the Directors (and all other documents required to be attached thereto) not later than the Prospectus Posting Date and otherwise in compliance with the Listing Rules and the Companies Ordinance;

3. the posting of the Prospectus Documents to the Qualifying Shareholders and the posting, to the extent reasonably practicable, of the Prospectus for information purposes only to the Oversea Shareholders; and
4. compliance with and performance of all the undertakings and obligations of the Company under the terms of the Underwriting Agreement.

In the event that the above conditions have not been fulfilled and/or waived in whole or in part by the Underwriter on or before 28 February 2013 (or such other date as the Underwriter and the Company may agree), all liabilities of the parties to the Underwriting Agreement shall cease and determine and no party shall have any claim against the other party save for any antecedent breach of the Underwriting Agreement and the Rights Issue will not proceed.

 - (i) The Underwriter shall not subscribe, for its own account, for such number of Untaken Shares which will result in the shareholding of it and parties acting in concert (within meaning of the Takeovers Code) with it in the Company to exceed 29.9% or more of the issued share capital of the Company upon the completion of the Rights Issue;
 - (ii) The Underwriter shall and shall cause the sub-underwriters to procure independent placees to take up such number of Rights Shares as necessary to ensure that the public float requirements under Rule 8.08 of the Listing Rules are complied with upon completion of the Rights Issue.

REASONS FOR THE RIGHTS ISSUE AND USE OF PROCEEDS

The Company is principally engaged in (i) apparel retail business in the PRC and (ii) luxury goods and accessories retail business and sale of crystal gemming services and products in Hong Kong and PRC.

As announced in the Company's announcement dated 30 October 2012, the Company expected a significant decrease in profit or even incur a loss on the Group's unaudited interim results ended 30 September 2012, primarily attributable to (i) the exclusion of gain on debt restructuring and deconsolidation of subsidiaries recorded in previous

correspondence period ended 30 September 2011; and (ii) reduction in the recorded sales of the Group's apparel retail business in PRC as a result of downturn in the retail market of PRC and delayed schedule of the new outlets opening.

The estimated net proceeds of the Rights Issue will be approximately HK\$76.61 million to HK\$92.12 million. Accordingly, the Company intends to apply the net proceeds of the Rights Issue to provide general working capital to the Group including re-branding and revitalizing of the Group's apparel products and accessories, refurbishing existing retail stores with the Company's new brand direction and fueling future expansion plans.

The Board considers that it is prudent to finance the Group's long term growth by way of the Rights Issue which will not only strengthen the Group's capital base and enhance its financial position without increasing finance costs, but will also allow all Qualifying Shareholders the opportunity to participate in the growth of the Group through the Rights Issue at a price lower than the current market price of the Shares.

PREVIOUS FUND RAISING EXERCISE IN THE PRIOR 12-MONTH PERIOD

Save as disclosed below, the Company has not conducted any fund raising activities in the past twelve months before the date of this announcement:

Date of initial announcement	Description	Net proceeds (approximately)	Intended use of net proceeds	Actual use of net proceeds
23 December 2011	Placing of new shares under general mandate	HK\$44 million	general working capital as well as to develop retail business opportunities	used as intended

GENERAL

As the proposed Rights Issue will not increase the issued share capital or the market capitalisation of the Company by more than 50%, the Rights Issue is not subject to the approval of the Shareholders.

The Prospectus Documents setting out details of the Rights Issue will be despatched to the Qualifying Shareholders on the Prospectus Posting Date and the Prospectus will be despatched to the Non-Qualifying Shareholders for information only.
